

OPAL: Putting The Fun Back Into Playing League

Boomer's Page

October 15, 2014

Singles Regional Scores Are In

The scores from the Singles Regionals, which was held on October 4 & 5 have been averaged into each participant's player record. You may find that a player's skill level has changed even though they did not play last week.

MAKEUP AND PRE-PLAY MATCHES

Make up matches must be completed by November 15, including any matches rescheduled due to Chinook Winds. If you have players that will be gone the week of Thanksgiving, make arrangements now with the opposing team to pre-play that match. When teams fail to complete make up matches, it affects the entire division and there are heavy penalties for not completing these matches. It is up to both teams to work together to get these matches completed. Once you have decided on a date and a time to get your make up matches or pre-play completed, let us know. That way if a team no shows, you are covered. If you are having trouble coming to an agreement, let us know. We will work with both teams to come to a common ground and if we have to we will set the date, which could hurt both teams. We would rather that the two teams come to an agreement on their own.

INCLEMENT WEATHER

In case of bad weather, we do not cancel league. Each team needs to decide whether or not they will be able to make league and notify the office by no later than 6 pm so we can notify the other team. Any matches not completed due to bad weather, need to be made up as soon as possible. Notify the league office immediately if you are rescheduling a match due to bad weather. Also notify the host location that you will not be playing that night, so they can staff properly.

Final entry deadline for Chinook Winds is Postmarked by October 25 for most events.

You can download an entry packet off our local web site:
