Pool Etiquette

Official team manual page 3 "To help make your evening of League play enjoyable, as well as enhance the enjoyment of those around you, please observe basic guidelines of etiquette."

Translation: Just because you are in a bar, doesn't mean that foul or abusive language is necessary, to be expected or tolerated. The new trend to help combat the recession is that many bars are able to allow children in their locations up until 9 pm. They don't need to hear that kind of language and neither does any one else. "Treat your opponent as you would like to be treated." Translation: If you're the kind that likes having someone in your face, yelling and calling you every name in the book, you are playing the wrong sport. No one else wants to be treated that way. "Pay attention to your match, be ready to shoot when it is your turn so you don't slow down the match. If you are expected to play the next match, have your cue ready and begin your match as soon as the previous match is over" **Translation: Have your cue ready. Be ready to lag as soon as the previous match is finished. When you are in a match, it is not the time to sneak outside to have a quick smoke.** "Limit coaching to one minute" **Translation: Timeouts are limited to one minute, only!** "Cheering for your teammate is part of the fun, but don't cheer against your opponent" **Translation: Hearing a team or player cheering "scratch, scratch, scratch", while the cue ball is rolling towards a pocket will not be tolerated.** Treat the other team, your teammates, the staff and the patrons with respect. Getting mad at yourself because you missed a shot is pointless and makes everyone else uncomfortable. Sharking your opponent with constant chatter, standing in their line of sight or smart remarks is cause for disciplinary action up to and including getting kicked out of the league. This is supposed to be fun. Leave your baggage at the door, relax and enjoy the company of others.

MAKE UP MATCHES NEED TO BE COMPLETED BY NOV 17

All make up matches, including the Chinook Winds week, need to be completed by November 17. If you need to reschedule for Thanksgiving week, you need to pre-play the match. If you have not made arrangements with the other team to get your make up completed, you need to do so immediately. If you are having trouble agreeing on a date to complete your makeup, please notify us immediately and we will either schedule the makeup for you or give you options that may work better for both teams. Failure to complete a make up match may result in your team not being eligible for playoffs or tri-cups no matter what position you hold in the standings. Makeup matches need to be turned in with your next week's score sheet to be considered on time. Be sure and call the league office before you do a make up to get the most current skill levels. Remember the office closes at 5 pm on Thursdays and is closed all day Sunday.

Scores from last weekend's 8 Ball Tri Cup have been entered into each participant's permanent player record. You may find that a player's skill level has changed even though they did not play last week

Chinook Winds Entries must be postmarked by October 31
