OPAL: Putting The Fun Back Into Playing League

Boomer's Page

MAKE UP MATCHES NEED TO BE COMPLETED BY NOV 16

All make up matches, including the Chinook Winds week, need to be completed by November 16. If you need to reschedule for **Thanksgiving week, you need to pre-play the match.** If you have not made arrangements with the other team to get your make up completed, you need to do so immediately. If you are having trouble agreeing on a date to complete your makeup, please notify us immediately and we will either schedule the makeup for you or give you options that may work better for both teams. Failure to complete a make up match may result in your team not being eligible for playoffs or tri-cups no matter what position you hold in the standings. Makeup matches need to be turned in with your next week's score sheet to be considered on time. Be sure and call the league office before you do a make up to get the most current skill levels. Remember the office closes at 5 pm on Thursdays and is closed all day Sunday.
