OPAL: Putting The Fun Back Into Playing League

NON-RATED PLAYERS MUST PLAY BY WEEK 7

All non-rated players, those without a skill level, must play by week 7 or they will be dropped from your roster. Non-rated players are those who have not played an APA match, they show up with 0 under skill level on your score sheet. Double jeopardy teams, your non-rated players must play in both 8-ball and 9-ball to get a skill level in each. If they only play in one or the other, they will be dropped from the roster in which they have not played. Please see page 30 of the official team manual.

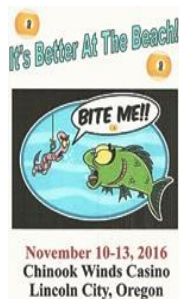

RESCHEDULED MATCHES

If you need to reschedule your Thanksgiving or Chinook matches, you need to make arrangements now. Thanksgiving matches need to be pre-played. Thanksgiving is November 24 and all divisions, except Thursday divisions, are scheduled to play that week. When a team gives advance notice that a match needs to be rescheduled, the opposing team must do everything in their power to accommodate them. If you are having trouble agreeing on a time and place, give us a call, we will set the date and time, which may not be to your best advantage. Do the best you can to work things out between you. Failure to show up for a match may disqualify your team for playoffs or tri-cups, even if your team is in first place and you will be responsible for both team fees. Get with your team and make arrangements now.

Treat Each Other With Respect

We are getting far too many complaints about teams not showing the proper respect to their opponents and even their own teammates. Name calling, sharking, loud and obnoxious behavior, constant arguing over rules or shots. You are expected to act like ladies and gentlemen during league play. Common sense and reasonable negotiations should always be the path to an enjoyable league match. You are representing APA, your host location and the sport in general. Act like it!
