

NON-RATED PLAYERS MUST PLAY BY WEEK 7

All non-rated players, those without a skill level, must play by week 7 or they will be dropped from your roster. Non-rated players are those who have not played an APA match, they show up with 0 under skill level on your score sheet. Double jeopardy teams, your non-rated players must play in both 8-ball and 9-ball to get a skill level in each. If they only play in one or the other, they will be dropped from the roster in which they have not played.

Time Outs

Only the player involved in the match is allowed at the table. No one else should be coming up to the table, unless a timeout has been called. During a time out, only the player and the coach are allowed at the table. If the coach wants to have a conference with someone else on the team, the conference must be away from the pool table. Only a player listed on the roster can coach a player. Time outs are limited to one minute. Visitors should not be coaching, giving advice or engaging in any disputes that may arise during the match.

RESCHEDULED MATCHES

If you need to reschedule your Thanksgiving match, you need to make arrangements now. Thanksgiving matches need to be pre-played. Thanksgiving is November 26 and all divisions, except Thursday divisions, are scheduled to play that week. When a team gives advance notice that a match needs to be rescheduled, the opposing team must do everything in their power to accommodate them. If you are having trouble agreeing on a time and place, give us a call, we will set the date and time, which may not be to your best advantage. Do the best you can to work things out between you. Failure to show up for a match may disqualify your team for playoffs or tri-cups, even if your team is in first place and you will be responsible for both team fees. Get with your team and make arrangements now.
