

NEW PLAYERS AND THEIR SKILL LEVELS

As with every session, we have many new members in the league this session. Anyone with a membership number of 19200 or higher is new to the league. Please be aware that these new players will bounce around the whole skill level range until they get 6 or 7 scores in. Some come out under rated and others come out over rated. We don't mind comments about these new players such as "has good cue ball control" or "good ball selection" but calling these players sandbaggers at this stage in the session does not even make sense. I dare to say that 90% of you did not start at the proper skill level or get there within the first few weeks. I am sorry that some of you have to play these new players before they are at their true skill level, however, the only way they can get there is by playing. Give these new players a chance to get their scores in before assuming that they are purposely keeping their skill levels below what they should be. It is very rare that a player goes straight to their true skill level after only a couple of plays.

\$\$\$ NEXT TO A PLAYER'S NAME

\$\$\$ next to a player's name means that player owes us money. It could be from a returned check or money owed from a previous session. That money needs to be paid or that person will not be allowed to play in playoffs or tri-cups and may not be allowed to return next session. Encourage your players to call the office to make arrangements to get this taken care of, if they have not already done so.

Make Up Matches Need to Be Completed by March 30th

RESCHEDULED MATCHES

If you need to reschedule match for St Patrick's Day, Easter or Chinook Winds match, you need to make arrangements now. All rescheduled matches need to be PRE-PLAYED. When a team gives advance notice that a match needs to be rescheduled, the opposing team must do everything in their power to accommodate them. If you are having trouble agreeing on a time and place, give us a call, we will set the date and time, which may not be to your best advantage. Do the best you can to work things out between you. Failure to show up for a match may disqualify your team for playoffs or tri-cups, even if your team is in first place and you will be responsible for both team fees. Get with your team and make arrangements now, if necessary.

Time Outs

Only the player involved in the match is allowed at the table. No one else should be coming up to the table, unless a timeout has been called. During a time out, only the player and the coach are allowed at the table. If the coach wants to have a conference with someone else on the team, the conference must be away from the pool table. Time outs are limited to one minute only! Only a player listed on the roster can coach a player. Visitors are not to get involved in any aspect of the match. They are there to cheer on their friends and should not be interfering in any way.
