### Singles Regional Scores Are In

The scores from the recent Singles Regionals have been input and averaged into each participant's permanent player record. You may find that a player's skill level has changed even though they did not play last week.

### Sad News

It is with a heavy heart that we inform you that Len "Sandman" Sandy passed away on March 15. Len started APA Spring session of 2007. It wasn't long before he found a home at Shamrock where he captained his team "Shamwow" in the Sunrise Double Jeopardy division for many years. Len made friends wherever he went and soon became part of the family for so many. He will long be remembered for his gentle spirit, kind heart and sense of humor. Every conversation I have ever had with him left me with a smile on my face. He will be missed by all.

### Watch The Trash Talk

Trash talking can be a lot of fun when you are out practicing with your buddies and having a few drinks. During league, you need to be aware that this kind of talk can be very disruptive, especially when you don't know the other team. Saying things like "She's going to miss this shot", "the cue ball is going to scratch", "this guy is no 3", "no way are they going to win this game", "what a sandbagger" even though not specifically directed to the person shooting or supposedly said in fun causes tension and can be considered sharking. Please watch the trash talking during league.
