9 Ball Singles Scores Are In

The scores from the Play Till You Win 9 Ball Singles Qualifiers that we ran last Saturday have been input and averaged into each participant's permanent record. You may find that a player's skill level has changed even though they did not play with your team last week.

We Need to Know What Your Playoff Options Are

If you have not already done so, please turn in your playoff option forms this week. When scanning or faxing in your score sheets, please remove the option forms from your score sheets and scan them in separately.
