Number of Times You Must Play

In order to participate with your team in playoffs or tri-cups, a player must have played with your team a minimum of 4 times in the format you are advancing in. Double jeopardy teams, that means 4 times in 8-ball to go to 8-ball playoffs/tri-cups and 4 times in 9-ball to go to 9-ball playoffs/tri-cups. Forfeits and byes do not count as a match played.

US Amateur Entry Deadline Approaching

US Amateur entries must be postmarked by June 15. Do not send them to us. They need to go directly to headquarters, whose address is listed on the entry form. The preliminary round will be held at The Cueball, in Salem on September 27, 2014. You may also go to poolplayers.com, "Tournament Information", "US Amateur Championships" and sign up and pay online. No late entries will be accepted.

9-Ball Tri-cup Scores Are In

The scores from 9 Ball Tri-cups have been averaged into the permanent player records of the participants. You may see a player's skill level has changed even though they did not play with your team last week.

Good Bye To Homey

We are sad to announce that Homer "Ramrod" Giddings passed away last week after a long illness. Homer joined the league Spring session of 1997 and was active on multiple teams in the North Portland area. He played until the Fall session of 2012, on Portsmouth's "Nature Calls" in the North Port 9 Ball division, when his health started to decline. Homer was a likable guy who enjoyed gardening in his spare time. He also mentored several people who had fallen on hard times and often brought them into his home until they could get back on their feet. A memorial service for Homer will be held June 28th at 2 pm at the Holgate Center, 3202 SE Holgate in Portland. Goodbye Homey, you will be missed.

Sunday and Monday Divisions

This is Memorial Day Weekend. If you cannot field a team on your regular schedule day to play, you need to contact the opposing team to schedule a makeup. Notify the office by email or phone to let us know that you will not be playing this week and contact the location that is scheduled to host your match to let them know that you will not be playing this week. You will have approximately 5 weeks to get that makeup match completed and into the office.
