OPAL: PUTTING THE FUN BACK INTO PLAYING LEAGUE

Boomer's Page

This Is The Last Week To Change Your Team Name

Permanent schedules come out next week, so this is the last week to change your team name. To change your team name, cross out the current one on your score sheet and write in the new team name next to it. Double jeopardy teams need to do this on both score sheets if you want the name changed on both teams. Remember, all team names are subject to League Office approval. If you think that Boomer won't approve it, don't even try!!! Also, please make sure that the captain of the team is listed first on your roster and the co-captain is listed second. These are the only people who will be invited to the Captain/Co-Captain tournament at the end of the session.

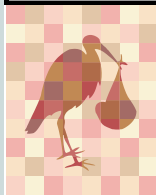

Attention Sunday and Monday Divisions

July 4th falls on a Friday this year. This means that for the lucky ones, they will have a 4 day weekend. Many make plans to enjoy the festivities of the day or spend time with friends and family. You need to talk with your team and see if you will be able to field a team for your regularly scheduled match. If you cannot, you will need to call the opposing team captain and make arrangements to pre-play that match. Captain phone lists will be coming out next week with the permanent schedules. Take care of this right away! Do not wait until the last minute. Once you have agreed to a reschedule, you need to notify us at the office so we can mark it in the books and let the host location know that you will not be playing your match on your regular day. If you are not able to agree on a time or place to get the pre-play completed or you are not able to reach the captain, give us a call and we will get the two of you hooked up. Do not put this off! Take care of it now!

New Rule Books Are In

We just received our shipment of the 2014-2016 rule books. These come out once every two years and it is a good time to remind you to read the rule book. We have not noticed any earth shattering changes, however, by the number of phone calls that we get and the kinds of questions we get, it is obvious that most of you either have forgotten everything that you read or never cracked the rule book open to begin with. Take the rule book with you to league. By having it handy, you can resolve most conflicts or questions before they become a big deal. We will be mailing the new rule books out to the team captains over the next week.

Congratulations!
