Scores Are In

The scores from the 9 Ball World Qualifier, held last weekend, have been entered and averaged into each participant's permanent player record. You may find that a player's skill level has changed even though they did not play last week.

\$\$\$ NEXT TO A PLAYER'S NAME

\$\$\$ next to a player's name means that player owes us money. It could be from a returned check or money owed from a previous session. That money needs to be paid or that person will not be allowed to play in playoffs or tri-cups and may not be allowed to return next session. Encourage your players to call the office to make arrangements to get this taken care of.

Attention: All teams

Breaking the 23 rule is absolutely forbidden!

Super Division Cap is 26, Ladies Division Cap is 13, Master's Division has no Cap

Both teams should be keeping an eye on this.

Makeup Matches Need To Be Completed By July 15

NON-RATED PLAYERS MUST PLAY

All non-rated players, those without a skill level must play at least once by week 7 or they will be removed from your roster, even if you have a "bye" that week. Double jeopardy teams, the non-rated players must play at least one 8-ball match and one 9-ball match.

Timeouts are One Minute Only!

We are getting a lot of complaints about teams taking excessive time during timeouts. Timeouts are one minute only! **The timeout begins as soon as it is called and ends when the coach leaves the playing area.** So coaches, you need to stay close to the playing area or someone else needs to take over for you while you step outside, go to the bar or bathroom. The other team should not have to wait while your teammates go and hunt you down.
