8-Ball Tri-cup Scores Are In

The scores from 8-Ball Tri-cups have been averaged into the permanent player records of the participants. You may see a player's skill level has changed even though they did not play with your team last week.

ALL BYE POINTS HAVE BEEN AWARDED

All "To Be Announced" have been replaced with Byes if we have not filled the position. All bye points for weeks 1-4 have been awarded and are reflected in your team total. For the rest of the session, if your division has a bye, when you are scheduled for the bye, you do not have to do anything. Do not send in any paperwork or money. A bye in 8-ball is worth 8 points plus 3 bonus points for a total of 11. In 9-Ball, a bye is worth 60 points plus 30 points for a total of 90. In Triple Play Masters a bye is worth 15 points.

Makeup Matches Need To Be Completed By July 13

All makeup matches, including the reschedules for the 4th of July week, need to be completed by July 13. If you have not gotten hold of your opponent or have not agreed on a date to complete your makeup, you need to do so now. Do not wait for the last minute. Once you have agreed on a date and time, call the league office to let us know. That way if the other team doesn't show up, you are covered. Envelopes for makeup matches need to be turned in with your next scheduled league match, even if you have a bye that week, to be counted as on time. Failure to complete a makeup match may lead to your team not being eligible for the wild card or post-season play, including playoffs and tri-cups.

US Amateur Deadline is Coming Up

If you need a registration form, go to www.poolplayers.com and download it off the internet. You can also register and pay online. No late entries will be accepted. Please mail your entries to headquarters, whose address is listed on the form. Do not send them to the league office.

Some Sad News

Craig Tomomatsu lost his long battle with cancer on Sunday. Craig joined the league, along with his son, Justin, Fall session 2008. He played on many teams in the Vancouver area, most recently on Star House's "Coyote's Pack" in the River City 9 Ball division and Fear This (PWB) in the River City division. He was a kind and gentle man and will be greatly missed. No further details are available at this time. Our deepest condolences to his family, friends and teammates.

Permanent Schedules and Captain's List

The week 5 packets have the captain's phone number list and the permanent schedule. The Captain's phone number list is only to be used for official business. Do not give this list out and do not post it. Please make sure that your host location gets a copy of the permanent schedule so that they can properly staff for league nights.
