Scores Are In

The scores from the 8 Ball Tri Cups held last weekend, have been entered and averaged into each participant's permanent player record. You may find that a player's skill level has changed even though they did not play last week.

NON-RATED PLAYERS MUST PLAY

All non-rated players, those without a skill level must play at least once by week 7 or they will be removed from your roster, even if you have a "bye" that week. Double jeopardy teams, the non-rated players must play at least one 8-ball match and one 9-ball match.

Permanent Schedules and Captain's List

The week 5 packets have the captain's phone number list and the permanent schedule. The Captain's phone number list is only to be used for official business. Do not give this list out and do not post it. Please make sure that your host location gets a copy of the permanent schedule so that they can properly staff for league nights. If you need to reschedule or pre-play a match, make arrangements well in advance.

Makeup Matches Need To Be Completed By July 15

All makeup matches, including the reschedules for the 4th of July week, need to be completed by July 15. If you have not gotten hold of your opponent or have not agreed on a date to complete your makeup, you need to do so now. Do not wait for the last minute. Once you have agreed on a date and time, call the league office to let us know. That way if the other team doesn't show up, you are covered. You are to use the most current skill levels when completing a makeup. Makeup matches need to be turned in with your next scheduled league match paperwork, even if you have a bye that week, to be counted as on time. Failure to complete a makeup match may lead to your team not being eligible for the wild card or post-season play, including playoffs and tri-cups.

ALL BYE POINTS HAVE BEEN AWARDED

Starting with week 5 score sheets all "To Be Announced" have been replaced with Byes if we have not filled the position. All bye points for weeks 1-4 have been awarded and are reflected in your team total. For the rest of the session, when your team has the bye, you do not have to do anything. Do not send in any paperwork or money. A bye in 8-ball is worth 8 points plus 3 bonus points for a total of 11. In 9-Ball, a bye is worth 60 points plus 30 points for a total of 90. In Triple Play Masters a bye is worth 15 points. In the Ladies Division, byes are worth 4 points plus 3 bonus points for a total of 7. Open 8 Ball Doubles byes are worth 8 plus 3 bonus for a total of 11. Open 9 Ball Doubles byes are worth 60 plus 3 bonus points for a total of 63.

Registration for the US Amateur Preliminary Round is June 15

There will be a Men's and a Ladies Division if enough entries are received
