\$\$\$ NEXT TO A PLAYER'S NAME

\$\$\$ next to a player's name means that player owes us money. It could be from a returned check or money owed from a previous session. That money needs to be paid or that person will not be allowed to play in playoffs or tri-cups and may not be allowed to return next session. Encourage your players to call the office to make arrangements to get this taken care of.

Only One Playback Allowed Per Format For Rest Of Session

One playback per match will be allowed throughout the rest of the session. **We are now in the last 4 weeks of the session, so only one playback will be allowed per match**, no matter what the two teams agree to. **The 2nd playback will be a forfeit, no one will get the points and the matches will not count towards the minimum matches played requirements.** Double Jeopardy, that means you are allowed one playback in 8-ball and allowed one playback in 9-ball. The only exception will be for those completing make up matches for weeks 1-8 and Master Divisions. Playbacks are not allowed in playoffs or tri-cups.

New Web Site

We have been approved to beta test the new Online Member Services web site that Nationals has been working on. The site is still a work in progress with new features being added nearly weekly. The new site is designed to be more user friendly and to provide you with the information you are most interested in, all in one location. It is also designed to be more compatible with mobile devices. You must be on an active team and must have claimed your account at poolplayers.com to get all of the information that is available at this time. Go to leagues.poolplayers.com to access the new site. There is a feedback button for you to use to give Nationals your thoughts and suggestions for enhancements. Your feedback is very important. Enjoy!

Our Deepest Condolences

It is with a heavy heart that we inform you that Earl "BDRB" Stoddard passed away on July 5, the day after his 78th birthday. Earl and his wife, Ann, joined the league Fall session of 1999. Playing in the Molalla and Oregon City area, their teams revolved around their family members including Conrad and Kim Stoddard, Dan and Sue Winfree, Duke Stoddard, Amanda Winter and Rebecca Stoddard. Earl and Ann traveled all the way from Prineville every Sunday to play on their team in the Southern division. Earl will be remembered as having a quick wit and a great sense of humor and he will be sorely missed. The family will be hosting a Celebration of Life on August 5 between 3 pm and 6 pm at Midway Public House, 1003 7th St, Oregon City where Earl played out of for the last several years. All are invited to attend. The family will be raffling off Earl's cues with all proceeds going to St Jude's Hospital.

Kevin Blodgett, who plays on several teams on the West Side, lost his wife, Janet, suddenly on July 4th. Janet never played in the league, but even after nearly 40 years of marriage, Kevin still refers to her as his best friend. Our deepest condolences go to Kevin and his family as they deal with this loss.

Attention: All teams

Breaking the 23 rule is absolutely forbidden!

Super Division Cap is 26, Ladies Division Cap is 13, Master's Division has no Cap
