9 Ball Tri Cup Scores Are In

The scores from this last weekend's 9 Ball Tri Cup have been averaged in each participant's permanent record. You may find that a player's skill level has changed even though they did not play last week.

Chinook Winds Entry Packets were included with the team folders and are available on our web site at pacificnw.apaleagues.com

Get your entries in early!

Entry Deadline is October 25th

Permanent Schedules Come Out Next Week

Permanent schedules come out next week. This is the last chance to change your team name for the session. Captains also make sure that we have a good phone number for you. You can go to poolplayers.com to check your phone numbers or write it on this week's score sheet. This is also the time to look over the temporary schedule and make sure there are no conflicts and that we have the correct address and phone number for your host location.

REALLY....ALREADY?

It is only week 3 and already I have had to lay down the law to a few teams about how you are expected to conduct yourselves during league. **Bottom line.** You are all adults, act like it. Name calling, yelling and screaming, throwing temper tantrums are things that children do. When adults have a conflict, they are expected to talk it out and get it settled. If one person is being a jerk, being a jerk back only perpetuates the situation. Someone needs to stand up and be the adult. You are all expected to act like ladies and gentlemen. It does not matter if you hate the other team or location, you will treat both with respect. If you get obnoxious or belligerent when you drink, don't drink. If you are having problems outside of league that are affecting your mood or mental well being, either stay home or leave your baggage at the door!
