## 9 Ball Tri Cup Scores Are In

The scores from 9 Ball Tri Cups have been averaged in each participant's permanent record. You may find that a player's skill level has changed even though they did not play last week.

## Permanent Schedules and Captain's Lists

All divisions, except Saturday and Sunday, have permanent schedules and a captain's list in their packets this week. Saturday and Sunday divisions will get theirs next week. There is one copy of the schedule specifically for the captain, which includes the phone numbers of all the captains in your division. There is also a copy of the schedule for each member of the team, minus captain phone numbers. Please note that we have included a copy of the schedule marked specifically for your host location. Please make sure they get a copy of your schedule so they can staff properly for league night. If you need to reschedule a match, please call the opposing captain well in advance, that does not mean the night of play, so they have time to notify their teammates. Also enclosed, you will find score sheets for any make up matches that you may need to complete. Please contact the opposing captain to schedule a date and time to play your make up, then call the league office so that we can notate the make up date on our records. All make up matches must be completed by Nov 20 including any that are postponed due to Chinook Winds. Thanksgiving week matches must be pre-played. Completed makeup matches need to be turned in with your next regularly scheduled league match, even if you do not play that week, do not hold them until the due date or you will lose your bonus points and be marked past due. Failure to complete a make up match will disqualify your team for post season play no matter what position you hold in the standings. If you are having trouble agreeing on a time to complete your make up match, notify the league office as soon as possible and we will set a date that may not be the best for either team. You must call the league office prior to starting your make up match to get the most recent skill levels. The skill levels that are on the make up sheets may not be correct. Protect yourself, schedule early and call to get the most current skill levels. All "to be announced" in a schedule that have not been filled have been replaced with byes. All bye points have been awarded for weeks 1-4 and are reflected in the total team points. For 8-ball a bye is worth 11 points (8 plus 3), in 9-ball a bye is worth 90 points (60 plus 30). Master Divisions byes are worth 15 pts and Ladies Divisions byes are worth 7 pts (4 plus 3 bonus). **Anyone planning to go to the Chinook Winds tournament in Nov must makeup that match by Nov 20. You may need to reschedule: All Thanksgiving week matches must be pre-played if you cannot play on your regular scheduled night. Thanksgiving is on Thursday, Nov 24. Notify your opponent well in advance.**

## **NON-RATED PLAYERS MUST PLAY ON OR BEFORE WEEK 7**

**Non-rated players have a 0 under the SL heading on the score sheet**

## **PLAYERS MISSING FROM YOUR ROSTER?**

If you have a player missing from your roster, it is because we have not received their membership dues. We can no longer allow unpaid members to be on a roster. If someone has paid their dues and still has been removed, please call us immediately so that we can get this corrected.
