Permanent Schedules and Captain's Lists

All divisions, except Sunday, have permanent schedules and a captain's list in their packets this week. Sunday divisions will get theirs next week. There is one copy of the schedule specifically for the captain, which includes the phone numbers of all the captains in your division. There is also a copy of the schedule for each member of the team, minus captain phone numbers. Please note that we have included a copy of the schedule marked specifically for your host location. Please make sure they get a copy of your schedule so they can staff properly for league night. If you need to reschedule a match, please call the opposing captain well in advance, that does not mean the night of play, so they have time to notify their teammates. Also enclosed, you will find score sheets for any make up matches that you may need to complete. Please contact the opposing captain to schedule a date and time to play your make up, then call the league office so that we can notate the make up date on our records. All make up matches must be completed by Nov 17. Completed makeup matches need to be turned in with your next regularly scheduled league match, do not hold them until the due date or you will lose your bonus points and be marked past due. Failure to complete a make up match will disqualify your team for post season play no matter what position you hold in the standings. If you are having trouble agreeing on a time to complete your make up match, notify the league office as soon as possible and we will set a date that may not be the best for either team. You must call the league office prior to starting your make up match to get the most recent skill levels. The skill levels that are on the make up sheets may not be correct. Protect yourself, schedule early and call to get the most current skill levels. All "to be announced" in a schedule that have not been filled have been replaced with byes. All bye points have been awarded for weeks 1-4 and are reflected in the total team points. For 8-ball a bye is worth 6 points (3 plus 3), in 9-ball a bye is worth 90 points (60 plus 30). Master Divisions byes are worth 15 pts. Anyone planning to go to the Chinook Winds tournament in Nov must makeup that match by Nov 17. Other dates you may need to reschedule: Wednesday-Oct 31, Halloween, Thursday, Nov 22, Thanksgiving Notify your opponent well in advance and try to pre-play these matches if your team has a conflict.

Makeup Matches Need To Be Completed By November 17

All makeup matches, including the reschedules for Thanksgiving week and Chinook Winds need to be completed by Nov 17. Do not wait for the last minute. If the two teams are having trouble coming to an agreement, call the league office by no later than Nov 1. We will set the date and the time, which may not be convenient for either team. We would rather the two teams come to an agreement on their own. Once you have agreed on a date and time, call the league office to let us know. That way if the other team doesn't show up, you are covered. Envelopes for makeup matches need to be turned in with your next scheduled league match, even if you have a bye that week, to be counted as on time. Failure to complete a makeup match may lead to your team not being eligible for the wild card or post-season play, including playoffs and tri-cups.

NON-RATED PLAYERS MUST PLAY ON OR BEFORE WEEK 7

Non-rated players have a 0 under the SL heading on the score sheet

PLAYERS MISSING FROM YOUR ROSTER?

If you have a player missing from your roster, it is because we have not received their membership dues. We can no longer allow unpaid members to be on a roster. If someone has paid their dues and still has been removed, please call us immediately so that we can get this corrected.

NO MORE ADDING PLAYERS WITHOUT PERMISSION

We are now entering the 5th week of the session, which means that you may not add any more players to your team without getting league office approval first. If you need to add a player to your roster, you must call the league office at least 1 hour prior to your match to get approval. **You must notify the opposing team prior to the flip of the coin of the new addition to your team. You must provide the opposing team with the player's name, their membership number and their current skill level.** The player you are adding, must pay their membership dues and fill out a membership application that night if they are not already paid. Their member dues are \$25 for all players that have not paid for 2012 (They will get a pro-rated amount for 2013.) Member dues and complete applications must be received in the office by processing day. Remember that the office closes at 5 pm on Thursdays and is closed all day on Sunday. If you play on those days you need to get approval during regular office hours. There are no changes allowed to your roster in the last 4 weeks of the session, except in extreme circumstances.

ELECTRONIC DIVISIONS

Now that we are pretty much through the roughest part of the session, we have to take a hard line on you returning your score sheets to us on time and making sure that the money gets to us by processing day. For the Sunday and Monday divisions, score sheets and money must be to us by 11 am on Tuesday. Tuesday divisions, score sheets and money need to be to us by 11 am on Thursday. Wednesday divisions, score sheets and money needs to be to us by 11 am on Friday. If you want your team to get all the bonus points that are possible, we must insist that you adhere to these times. Double jeopardy teams, please make sure that you mark the star rating on both the 8-ball and the 9-ball score sheet. It is not up to us to try to guess what rating you are giving the teams. That is why we offer bonus points, so you will fill it in for us. When faxing or emailing in score sheets, remember we need both sides of the 9-Ball score sheet. **We do have some mailing holidays coming up that you need to be aware of. These mailing holidays and affect the delivery of mail for the entire week, so mail early so you get all of your bonus points. Monday, October 8, Monday, November 12 and Thursday, November 22.**

INCLEMENT WEATHER

We have been very fortunate this year to have enjoyed some of the best Summer weather that this area has experienced in many years. But, as you know, it will not last forever. Rain, snow and ice are all part of the experience of living in the beautiful Pacific Northwest. Here is our policy for bad weather. **We never cancel league!** Each team must decide for themselves if their team can make it to league. This needs to be done early enough in the day to notify the other team. If you need to reschedule, you must complete the makeup match as soon as reasonably possible. This means that you may have to play on a different night of the week. As a courtesy also notify the location that you were scheduled to play at that night. If the weather is bad enough and you are not going to be there, they may want to close early. You must contact the league office as soon as you and the other team have decided to reschedule so we can get it marked in the books and you do not get penalized.

Have a Great Week!
