

OPAL: Putting The Fun Back Into Playing League

\$\$\$ NEXT TO A PLAYER'S NAME

\$\$\$ next to a player's name means that player owes us money. It could be from a returned check or money owed from a previous session. **That money needs to be paid or that person will not be allowed to play in playoffs or tri-cups and may not be allowed to return next session.** Encourage your players to call the office to make arrangements to get this taken care of.

NON-RATED PLAYERS MUST PLAY BY WEEK 7

All non-rated players, those without a skill level, must play by week 7 or they will be dropped from your roster. Non-rated players are those who have not played an APA match, they show up with 0 under skill level on your score sheet. Double jeopardy teams, your non-rated players must play in both 8-ball and 9-ball to get a skill level in each format if they are on both rosters. If they only play in one or the other, they will be dropped from the roster in which they have not played.

RESCHEDULED MATCHES

If you need to reschedule your Thanksgiving match, you need to make arrangements now. Thanksgiving matches need to be pre-played. Thanksgiving is November 22 and all divisions, except Thursday divisions, are scheduled to play that week. Halloween falls on Wednesday, October 31 and Chinook Winds is November 7-11. Make arrangements now to get that match pre-played if you will not be able to field a team that week. When a team gives advance notice that a match needs to be rescheduled, the opposing team must do everything in their power to accommodate them. If you are having trouble agreeing on a time and place, give us a call, we will set the date and time, which may not be to your best advantage. Do the best you can to work things out between you. Failure to show up for a match may disqualify your team for playoffs or tri-cups, even if your team is in first place and you will be responsible for both team fees. Get with your team and make arrangements now.
