### Qualified Teams

Teams that have already qualified for regionals, or who get qualified during the upcoming tri-cups, please read pages 81-91 of your team manual to make sure you understand what it takes to keep your team eligible. Basically, you only have the first 4 weeks of this session to make changes to your roster. The players that you have on your roster at the flip of the coin week 4 will be the team that you go to regionals with as long as they have enough scores in by the end of the session. No substitutions can be made on your regional roster. Every player on your roster must have a skill level based on at least 10 scores in the format you are advancing in. The only scores that count are regular league, playoff and tri-cup scores. Scores acquired during Summer session 2014 scores do not count towards the 10. All players must play with your team at least 4 times this session before playoffs. You must have at least 4 original members on this session's roster. All players must be in good standing with the league. We will do our best to make sure everyone meets the requirements, but team captains must take on the bulk of the responsibility in ensure all of the requirements are met.

### New Membership Cards

New to the league members and those that did not pay their dues in 2013 will receive a hard plastic 2014 membership card. which will be mailed directly to each individual player. It will come in your membership kit, along with your 2014 APA patch, a mini rule book, an APA sticker and a booklet describing the national discount program and general information about the league. Your new card will be a plastic, much like a driver's license, that will be replaced every 5 years. So when it arrives, put it in your wallet and treat it as you would any other piece of ID. Each year you will receive a sticker that you will put on your card, when you pay your dues, to show that you are a current member. It is important that you keep your address current with us. You can update your address at [poolplayers.com](http://poolplayers.com). Make sure that your complete address, including apt # if applicable, all fits on "Address Line 1". Please allow up to 8 weeks for your membership kit to arrive. The first shipment of cards should be going out in the next week or so. Those that paid before the first of the new year should be the first to receive their membership packets. Replacement cards will cost \$5.
