### **Members Who Play On More Than One Team**

Members who play on more than one team, especially new players, may not be the same skill level on consecutive nights. After each match that you play, your skill level is adjusted. It is possible for a player to be a 3 on Monday nights and a 5 on Tuesday, because Mondays scores are adjusted and sent out before Tuesdays packets arrive to be updated. Go with what is printed on the score sheet. The player's skill level will catch up sooner or later.

### **US Amateur Deadline is Coming Up**

If you are interested in playing in the US Amateur Preliminary round coming up in September, you must have your entries postmarked by June 15. If you need a registration form, go to [www.poolplayers.com](http://www.poolplayers.com) and download it off the internet. No late entries will be accepted. Please mail your entries to headquarters, whose address is listed on the form. Do not send them to the league office.

### **8-Ball Tri-cup Scores Are In**

The scores from 8-Ball Tri-cups have been averaged into the permanent player records of the participants. You may see a player's skill level has changed even though they did not play with your team last week.

### **ALL BYE POINTS HAVE BEEN AWARDED**

All "To Be Announced" have been replaced with Byes if we have not filled the position. All bye points for weeks 1-4 have been awarded and are reflected in your team total. For the rest of the session, if your division has a bye, when you are scheduled for the bye, you do not have to do anything. Do not send in any paperwork or money. A bye in 8-ball is worth 3 points plus 3 bonus points for a total of 6. In 9-Ball, a bye is worth 60 points plus 30 points for a total of 90. In Triple Play Masters a bye is worth 15 points.

### **Makeup Matches Need To Be Completed By July 21**

All makeup matches, including the reschedules for the 4th of July week, need to be completed by July 21. If you have not gotten hold of your opponent or have not agreed on a date to complete your makeup, you need to do so now. Do not wait for the last minute. Once you have agreed on a date and time, call the league office to let us know. That way if the other team doesn't show up, you are covered. Envelopes for makeup matches need to be turned in with your next scheduled league match, even if you have a bye that week, to be counted as on time. Failure to complete a makeup match may lead to your team not being eligible for the wild card or post-season play, including playoffs and tri-cups.
