Number of Times You Must Play

In order to participate with your team in playoffs or tri-cups, a player must have played with your team a minimum of 4 times in the format you are advancing in. Double jeopardy teams, that means 4 times in 8-ball to go to 8-ball playoffs/tri-cups and 4 times in 9-ball to go to 9-ball playoffs/tri-cups. Forfeits and byes do not count as a match played.

Senior Skill Levels are 6 and Above.

Super Divisions: Senior Skill Level is 7 and above.

Attention All Divisions Except Thursday

We do not have league scheduled for Thanksgiving day, however, we do have league scheduled for Thanksgiving week. Check with your team mates to see if they will be available to play that week. If you cannot field a team, please contact the opposing team and make arrangements to pre-play that match. The same holds true for Chinook Winds week. If you cannot field a team for that week, make arrangements to get it pre-played and out of the way. Do not wait until the last minute. Failure to complete all scheduled matches will result in your team becoming ineligible for wild card, playoffs and/or tri-cups no matter with what position you hold in the standings.
