HIDDEN

(Except when in parenthesis) somewhere in this Newsletter are "5" APA Membership numbers just waiting to be discovered. From the October 15th newsletter, Deanna "Sunshine" Hornyhch (97204557) who plays for Heritage Pub's "Freckles Shy" in the Mid-Valley DJ division called in to claim her shirt. So far, no one from the October 22nd newsletter has called in to claim their shirt. So that leaves a party of 3 for this week's Loser's Corner.

There are still 5 numbers out there from last week, plus the "5" new one's for this week. So that's 10 numbers. Grab your magnifying glasses and get hunting or you'll be seen on the back of the very next newsletter like those silly loser's you can see this week.

REMEMBER, You have only until the writing of the 2nd Newsletter following the one your number is in to call the league office with the magic words "Gimme My Shirt" Otherwise, you'll find yourself in the Loser's Corner for all to see, and minus a shirt that'll go to someone else! So, don't let that happen to you...Grab your glasses & Magnifying lens and get to looking!
