

Original Pool Amateur League (OPAL) "A Real 'GEM' in YOUR Community!"

HIDDEN *Except when in parenthesis* somewhere in this Newsletter are "5" more APA Membership numbers just waiting to be discovered. Well poo No one else from the Oct 29th newsletter Joined Linda in calling in to win a prize so those poor four souls will find themselves the humiliation of being featured in the Loser's Corner on the back page of this Newsletter this week. All because they didn't read the newsletter and find their hidden number...Tsk Tsk Tsk people if Ya SNOOZE Ya Lose ! If you know any of those back page Turkey's —baste 'em good & plenty!

On the brighter side of things...wait a minute nothing's brighter—so far zero people have called in from the Nov. 12th Newsletter either—So what the hell's up with that? It's pretty shameful that so many lose out on the free shirt opportunity. Sheeesh all you have to do is read the newsletter; find your hidden membership number; and then make the added, but strenuous, effort to call the office with the magic words....Wow... how so very hard that must be—Especially since at least 99.9999 % of you happen to own your very own freckkin' cell phone!

REMEMBER, You have only until the writing of the 2nd Newsletter following the one your number is in to call the league office with the magic words "Gimme My Shirt" Otherwise, it's off you go to the loser's corner where everyone can see you and laugh, giggle, snort, and snicker because they know there'll be a shirt waiting for them seeing how you must not want yours!
