On October 28-30 Merle & Boomer attended the Western Regional Conference of APA League Operators. This was a great opportunity for the league operators to network amongst themselves and get with APA Headquarters to gain first hand information on the intricacies of the new 8-Ball scoring system, and on the newly designed T-Nex tournament software which we'll be using when we run our Tri-Cups, Chinook Winds Events, regionals and other important singles and team events.

A farmer went to a local bar and ordered a glass of champagne. The woman sitting next to him said, 'How about that? I just ordered champagne, too!' 'What a coincidence' the farmer said. 'This is a special day for me. I am celebrating.' 'This is a special day for me too, I am also celebrating,' said the woman. 'What a coincidence!' said the farmer. As they clinked glasses he added: 'What are you celebrating?' 'My husband and I have been trying to have a child and today my gynecologist told me that I am pregnant!' 'What a coincidence!' said the man. 'I'm a chicken farmer and all last year my hens were infertile, but today they are all laying eggs again. "That's great!" said the woman, 'How did your chickens become fertile?' 'I used a different stud Rooster!' he replied. The woman smiled, clinked his glass and said 'what a coincidence'!
