HIDDEN (Except when in parenthesis) somewhere in this Newsletter are "5" more APA Membership numbers just waiting to be discovered. The early Ghost of Halloween did scare up one person to avoid next week's Loser's corner from Last week's Oct. 10th Newsletter. Finding her number and calling in was" **Penny Wafford** (97221734)

who plays for I Don't Know's "Valley People" in the Parkrose D.J. division. This translates to a party of 5 for your viewing pleasure on the back page this week because nobody found their number and saved their dumb ass's from going on an illumination tour of the back page this week for your viewing and laughable pleasure.

From the October 10th Newsletter we still have 4 people out there who could still call in this next week.

So folks, the reality is that there are now 9 numbers out there for the finding—4 from Oct. 10th, and 5 from this week! Lose or Snooze—your choice to end up in the loser's corner where everyone can laugh their butts off at you while flipping you the old "L" sign—or instead bask in the salvation of safely winning a prize.

REMEMBER, You have only until the writing of the 2nd Newsletter following the one your number is in to call the league office with the magic words "Gimme My Shirt" Otherwise, it's off you go to the loser's corner where everyone can see you and laugh, giggle, snort, and snicker because they know there'll be a shirt waiting for them seeing how you must not of wanted yours!
