We are looking at having a record turnout this year and therefore it's going to be first come first served for the Weekender scotch should there even become space available..

For the Lincoln City Open, you will sign up at the Billiards and Barstools booth starting at 10 am on Saturday, April 12th. Mini tournaments will run from about noon until approximately 2 am on Wednesday, Thursday, Friday and Saturday, depending on the number of interested players and the number of available tables. There's always "Beat The Merle" plus there will be lots of other fun contests and surprises in store. Hopefully, we will get to see you there !

OPAL-APA NW 8-BALL INVITATIONAL

APRIL 10 - 13 2014

Chinook Winds Casino --- Lincoln City, Oregon

HIDDEN (Except when in parenthesis) somewhere in this Newsletter are another "5" new APA Membership numbers just waiting to be discovered. Well. What do you know? Looks like that brief episode of

sun last week, gave a few people enough light to find their number. From the March 24th newsletter, we had **Allan Rowley** (97219160) who plays for River Road House's "U-Rack-'Em" in the Mid-Valley Jeopardy division; and **Brenda Bohrer** (97219635) who plays for Jake's "Crusaders" in the River City 9-Ball division called in to join Eric in avoiding the loser's corner. Those poor souls who didn't are back page visible.

From the April Fools Day newsletter, apparently one person wasn't fooled and spotted his number and that was: **Dana Minor** 97217926 who plays for Gator's "Lemonheads" in the Mid-West Double Jeopardy division. perhaps another week might help bring forth some of the others, but most likely, not! There are now 9 numbers just waiting to be discovered. So go check out last week's newsletter and look this one over very carefully to see if one of the hidden numbers might, by chance, be yours.

REMEMBER, You have only until the writing of the 2nd Newsletter following the one your number is in to call the league office with the magic words **"Gimme My Shirt"** Otherwise, it's off you go to where everyone can see you and laugh, giggle, snort, and snicker because they know there'll be a shirt waiting for them seeing how all of this week's losers didn't want theirs——

A Greek and a Scotsman were sitting in a Starbucks cafe discussing who had the superior culture. Over triple lattes the Greek guy says, "Well we Greeks built the Parthenon" and arched his eyebrows.

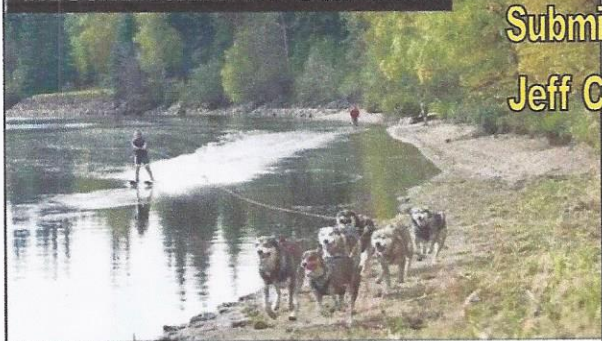

The Scotsman replies, "Well . . . it was the Scots that discovered the Summer and Winter Solstices." The Greek retorts, "We Greeks gave birth to advanced mathematics."

The Scotsman, nodding in agreement says, "Scots were the ones who built the first timepieces and calendars."

This friendly banter went back and forth for awhile, and not to be outdone the Greek finally comes up with what he thinks will end the discussion. With a flourish of finality he says, "The Greeks were the ones who invented sex!"

The Scotsman replies, "Aye, that is true, but it was we Scots who introduced it to the ladies !!!"

THE OLDER WOMAN

John ended up with an older woman at a club last night. She really looked good for a 61 year-old. In fact, she looked really great, and he found himself thinking that she probably had a really hot daughter.

They drank a bit, and had a bit of a snuggle, and then out of the blue, she asked if he had ever had a Sportsman's Double.

"What's that?" John asked inquisitively..

"It's a mother and daughter threesome," she said. John said "No" but somewhat excitedly.

They continued to have a few more drinks at the bar and the lady said to John that "Tonight is going to be your Lucky Night... Let's leave here and go over to my place."

When they got to her place and walked in the front door, she put on the hall light and shouted upstairs: **"Mum, are you still awake?" !!!**

CAN YA HELP MY FRIEND ??

I'm reaching out on behalf of a friend of mine who needs some help WHO wishes to remain anonymous. His wife told him to go out and get some of those pills that would help him get an erection. When he came back, he handed her diet pills. ANYWAY, he's looking for a place to live. CAN YOU HELP HIM ?
