OPAL: "A REAL 'GEM' IN YOUR COMMUNITY!"

July 18, 2016

NLSUM 2016-10

THE OPAL 'GEM' EXPRESS

HIDDEN (Except when in parenthesis) in this newsletter are 5 more numbers to be found. From the June 27 newsletter, Chris Gonzalez (97221459) who plays for Silver Star's "Monkey Sharks" in the Mt St Helens division dodged a bullet by calling in before I realized that I put the wrong players in the Loser's corner last week. So the Loser's Corner will truly reflect the actual 4 losers from the June 27th newsletter this week.

A big apology to Robb Doel (97214810) who plays for Wrangler's "Posse" in the Wagon Wheel Double Jeopardy division who was mistakenly put in the Loser's Corner a week too soon. He did call in time and will receive his prize.

From the July 11th newsletter no one has called in. There are still 5 numbers from that newsletter, plus the 5 new ones for this week to be found. 97219708

This is the last newsletter of the Summer session, so you have extra time to search, find and call in to collect your prize.

REMEMBER, You have only until the writing of the 2nd Newsletter following the one your number is in to call the league office with the magic words "**Gimme My Shirt**" Otherwise, it's off you go to where everyone can see you and laugh, giggle, snort, and snicker, because they know there'll be a shirt waiting for them now since you didn't want yours!
