HIDDEN (*Except when in parenthesis*) somewhere in this Newsletter are "5" more APA Membership numbers just waiting to be discovered. Sadly no one else from either of the June 19th or the June 26th Newsletters has called into the league office this past couple of weeks to announce that

they have discovered their number hidden in the newsletter and avoid the loser's corner on the back page.

So there's only going to be Loser Party of FOUR for your jeering pleasure and ridicule this week. So, if you don't want to get caught for next week then....Go Look! If you don't have a copy of the newsletter available then you can always go to our website and check it out for yourself:
