

## Request to have a Nickname put on Scoresheet

Keep in mind that we only have one player record for you and that a nickname for one team will follow you to all teams that you play on and will be with you for the entire session. Your nickname is only for your first name; your last name cannot be changed with a nickname. Your legal name will print on any higher level score sheets such as tri-cup, regionals or nationals. The league office reserves the right to veto any nickname that we feel is inappropriate for print. Only complete forms will be accepted.
